

Exploration and Mining Geology

Journal of the Geological Society of CIM

Jeremy Richards, Editor
University of Alberta

Exploration and Mining Geology, a quarterly publication of the Geological Society of CIM, covers the fields of mineral deposits, geochemistry, geophysics, mine geology, geomathematics, ore reserves, and related fields. Articles are reviewed by two referees competent in the subject.

U.S. COPYRIGHT LAW APPLICABLE TO USERS IN THE U.S.A.

It is a condition of publication that manuscripts submitted to this journal have not been published and will not be simultaneously submitted or published elsewhere. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the publisher if and when the article is accepted for publication. However, assignment of copyright is not required from authors who work for organizations which do not permit such assignment. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform, or any other reproductions of similar nature and translation. No part of this publication may be reproduced, stored in a retrieval system, or transmitted in any form or by any means — electronic, electrostatic, magnetic tape, mechanical, photocopying, recording, or otherwise — without permission in writing from the copyright holder.

Photocopying Information for Users in the U.S.A.: The Item-Fee Code for this publication indicates that authorization to photocopy items for internal or personal use is granted by the copyright holder for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided the stated fee for copying beyond that permitted by Section 107 or 108 of the United States Copyright Law, is paid. The appropriate remittance is paid directly to the Copyright Clearance Center Inc., 222 Rosewood Drive, Danvers, MA 01923. The copyright owner's consent does not extend to copying for general distribution, for promotion, for creating new works, or for resale. Specific written permission must be obtained from the publisher for such copying. In case of doubt, please contact CIM National Office, Suite 855, 3400 boul. de Maisonneuve West, Montréal, Québec, Canada, H3Z 3B8.

The Item-Fee Code for This Publication is: 0964-1823/000 \$17.00 + 0.00

Whilst every effort is made by the publishers and editorial board to see that no inaccurate or misleading data, opinion, or statement appears in this journal, they wish to make it clear that the data and opinions appearing in the articles and advertisements herein are the sole responsibility of the contributor or advertiser concerned. Accordingly, the publishers, the editorial board, and editors and their respective employees, officers, and agents accept no responsibility or liability whatsoever for the consequences of any such inaccurate or misleading data, opinion, or statement.
