GEOSPHERE is an online-only journal that targets an international audience and publishes high-quality research results from all fields of the geosciences. It particularly seeks papers that take advantage of the electronic format.

GEOSPHERE (ISSN 1553-040X) is published bi-monthly by The Geological Society of America, Inc. (GSA), with offices at 3300 Penrose Place, Boulder, Colorado. Mailing address is P.O. Box 9140, Boulder, CO 80301-9140, USA.

In January 2018, *Geosphere* became an open access journal, and all papers published from January 2018 on are published under either the Creative Commons license CC-BY-NC or CC-BY (<https://creativecommons.org/>).

Papers published before January 2018 are freely accessible online, but copyright may apply.
