1376 . . .Business Bottom Line—Through the continuous
life cycle of reservoir, geophysics makes its mark,
D. Boutte

1380 . . .Reflections—Some memories, thoughts, and a
word or two, T. J. Ulrych

1384 . . .History of aeromagnetic surveying in Canada,
P. Hood

1395 . . .Tyumen Preview—A. P. Zhukov, K. I. Loginov, M.
B. Shneerson, V. E. Shulakova, R. G. Kharisov,
and V. A. Ekimenko

1488 . . .The Back Page—S. Sidney

Special section: Subsalt exploration

1404 . . .Introduction to this special section: Subsalt
exploration, C. Sayers and D. Herron

1406 . . .Wide-azimuth seismic at the subsalt Jack asset:
Is it worth the early investment?, J. L. Lewis and
S. L. Neal

1414 . . .Subsalt imaging: The RAZ–WAZ experience,
J. Kapoor, N. Moldevaneau, M. Egan, M. O’Briain,
D. Desta, I. Atakishiyev, M. Tomida, and
L. Stewart

1424 . . .Iterative imaging for subsalt interpretation and
model building, C. Mosher, E. Keskula, J. Malloy,
R. Keys, H. Zhang, and S. Jin

1430 . . .Multipath imaging into common-reflection-angle
volumes at a GOM site, G. Winbow, T. Clee, and
M. Rainwater

1434 . . .A new approach to seismic interpretation in chal-
lenging imaging environments, C. E. Helsing and
D. C. Berman

1438 . . .Salt interpretation practices for depth imaging in
the Gulf of Mexico, M. D. Reasnor

1442 . . .Depth-calibrating seismic data in the presence of
allochthonous salt, N. Shumaker, R. Lindsay, and
J. Ogilvie

1454 . . .Subsalt exploration potential of the Moroccan salt
basin, J. Haddou and G. Tari

1462 . . .Effect of inelastic sediment behavior on near-salt
stresses and pore pressures, G. L. Bowers
